

H.C. Beermann Family

In the 100 years since these items were photographed in the home of H.C. Beermann in Oakland City, (now Atlanta) Georgia, they moved to the F. L. Tanner (daughter) home in Indianapolis IN, then to the D.S. Wilson (granddaughter) home in Fayetteville NY, and now reside in Aiken SC (great-granddaughter). What became of the wildcat on the rug (and why it was there at all) remains a family mystery!
